

Ubon Ratchathani University Announcement
Subject: Preventive Measures and Surveillance for the Latest Outbreak of Coronavirus
2019 (COVID-19) (No. 9)

Temporary closure of facilities/offices and staff working guidelines

Building measures

1. The university will temporarily close places where infected people have visited for three days for the disinfection of those places in accordance with the highest standards of the Ministry of Public Health.
2. It will temporarily close buildings between 8 - 24 October 2021 to reduce the number of occupants. The closure of offices/buildings must not affect clients (students, personnel, or the public) nor examinations for the second semester of the academic year 2021. Offices needing to coordinate and provide services to students, personnel, or the public such as the Office of the President, the Office of Computer and Networking, Ubon Ratchathani University Hospital, Vaccine Service Center, the Secretary's Office of each faculty/college must remain open.
3. Food courts, coffee shops, and any shops in the university shall offer takeaway service instead of eating in the area.

Working measures

4. The staff of faculties/colleges/offices can work from home or integrate working online and on-site or alternate working periods or exchange working days between 8 - 24 October 2021. This matter is under the consideration of the vice president, assistant to the president, dean, or director. The working strategy must be continual and effective and the concerns of students and staff safety must be a priority.
5. The executives or heads must still come to work. In the event any unexpected situations arise that those persons cannot work on-site, permission to remain off-campus must be given by more senior officials.

Dated 8-24 October 2021.

Issued on the 7th of October 2021.
