

**Ubon Ratchathani University Regulation:
Quarantine Expense Assistance for International Students Entering Thailand 2021**

This regulation is issued to assist in paying the quarantine expenses for Ubon Ratchathani University international students who have borne the brunt of the infectious Coronavirus 2019 (COVID-19) situation for effective and orderly management, according to Section 15 of the Statute of Ubon Ratchathani University 1990 and the resolution of the sixth Ubon Ratchathani University Council meeting of 2021, held on July 31st, 2021. The details are as follows:

1. This regulation is called “Ubon Ratchathani University Regulation: Quarantine Expense Assistance for International Students Entering Thailand 2021”.
2. This regulation shall be enforced from the 2020 academic year onwards.
3. In this regulation:

“University”	refers to Ubon Ratchathani University
“President”	refers to the Ubon Ratchathani University President
“International students”	refers to Ubon Ratchathani University undergraduate or graduate students who are not Thai nationals

4. International students who have traveled from foreign countries to Thailand in order to study at the university and who had to be quarantined or isolated for observation for the duration specified by the regulations issued in Section 9 of the Royal Act: Emergency Decree on Public Administration in Emergency Situation B.E. 2548 (2005), may submit the request to the university as specified in order to receive monetary assistance for quarantine expenses.

After the university’s consideration, if the students meet the qualifications, the university will transfer the amount of these costs to the accounts of those students submitting the request.

5. For the assistance mentioned in 4, the university will pay these expenses only once per person per program at half of the actual paid cost but not exceeding 15,000 baht per person.

6. The president is in accord with this announcement and can issue announcements or new orders to specify the rules in accordance with this regulation.

In case of any interpretative or other problems with this regulation, the president can assess these, and that decision shall be final.

Issued September 15th, 2021
