Undergraduate students

There are two regular semesters at the university: the first semester and the second semester. The tuition fee as specified in the tables are applied. However, some courses are also offered during the third semester called the summer semester, and if the students cannot finish their study within the regular duration of the study program specified by the respective program of study (four years for most programs and six years for medicine and pharmacy), the following rates of the tuition fee are applied:

- Students in regular programs
 - 0-3 credits 3,500 Baht/Semester
 - 4-6 credits 5,000 Baht/Semester
 - 7-9 credits 6,500 Baht/Semester
- Students in special programs; evening programs/weekend programs/module-based programs
 - 0-3 credits 5,000 Baht/Semester
 - 4-6 credits 10,000 Baht/Semester
 - 7-9 credits 15,000 Baht/Semester

If students enroll for more than 10 credits during the summer semester or any semester after the regular duration of the program of study, the rates of the lump-sum tuition fee mentioned in the table above are applied.
