Note: 1. Faculty academic activities will be tailored to each student’s field of study and expertise, organized by the respective faculty. Activities may include classroom participation, academic discussions, research projects, laboratory work, and faculty-hosted events.

2. Student Organization activities will be arranged during evenings and weekends to enhance the UBU student experience. These activities may include visiting university clubs, participating in sports with UBU students, exploring popular campus locations, and immersing oneself in student life and events.
